

**GEC RFP 2017Addendum #110-16-17Responses to Questions**

	<b>Company</b>	<b>Question</b>	<b>RMTA Response</b>
1	AECOM	Since the Authority reserves the right to award contracts to multiple firms; does the firm with the highest score have right of first refusal on all tasks or will the Authority select which firm will be awarded the task?	The Authority shall distribute all work in a manner which in the Authority's sole judgement, will best serve the Authority's needs and those of the Expressway System, as well as its customers. The Authority does not guarantee or warrant that any selected firms will receive any particular volume or dollar value of work hereunder.
2	AECOM	How will you score small business and MBE/DBE participation, local participation?	Refer to RFP Section 4.1 for information on Diversity and Inclusion. And refer to RFP Section 8 for the scoring rubric.
3	AECOM	If multiple award, will the contract term to not exceed \$6,000,000 be awarded per firm or will the \$6,000,000 be split evenly among each awarded firm?	Per the Virginia Public Procurement Act for professional engineering services, the total of all projects during a contract term shall not exceed \$6 million.
4	EPR	Who holds this contract currently?	HNTB Corporation
5	HNTB	According to page 11 of the RFP, "All information must be assembled and indexed in the order indicated in Sections 1 through 4, together with an Appendix containing the items described below." Are you including Section 5 in the page response page count? Also, are you looking for a Table of Contents or formal index in order to address the "indexed" content portion of the statement?	Section 5 will be included in the page count if provided. A table of contents or formal index is not required. Written response sections should be "indexed" using section dividers, which are not included in the page count.
6	Kimley-Horn	With regard to section 4.3, sub-section (b), item (i) is the Authority asking if the firm represents the City of Richmond for any type of service or specifically if the firm represents the City of Richmond for toll services and operations?	Per Section 4.3 (b), all firms shall disclose if their firm represents the City of Richmond for any type of service. The firms shall also disclose if their firm represents VDOT or it's contractors in toll services and operations.
7	RK&K	Will RMTA allow a firm currently pursuing the Toll System & Services (TSS-2017) contract as a <b>Sub</b> to a contractor also allow pursuit of the GEC contract as either a <b>Prime or Sub</b> if the proposed work split on the GEC team would eliminate conflict with the service areas they are proposed to be performing as part of TSS-2017?	RMTA will not permit a situation where an engineering firm is both RMTA's principal professional engineering consultant and is also providing engineering services for a non-RMTA party on RMTA related matters. <b><u>Points may be deducted for a GEC who is pursuing, as either a Prime or Sub, the TSS-2017 RFP.</u></b>

**GEC RFP 2017Addendum #110-16-17Responses to Questions**

8	Pre-Proposal Mtg	Does the GEC perform the bridge inspections?	They are responsible for the bridge inspections even if they decide to use a subcontractor.
9	Pre-Proposal Mtg	Will individual RFPs be the responsibility of the GEC for traffic and revenue consultants?	No, they are only responsible for the certification that the revenue is adequate to cover the upcoming maintenance and capital improvement projects.
10	Pre-Proposal Mtg	Is the "10" referenced in the evaluation criteria points or percentage?	It is points.
11	Pre-Proposal Mtg	Will the GEC be involved with any potential stadium project?	It could be, but it is in the Authority's sole discretion to perform work in-house or to award any project on a separate competitive negotiation basis.
12	Pre-Proposal Mtg	Will the powerpoint presentation from the mandatory pre-proposal meeting be shared?	Yes, it will be uploaded to the Authority's website by COB 5-16-17, along with the meeting's sign-in sheet.
13	Pre-Proposal Mtg	Please clarify the number of selection committee members and departments represented.	It is 3 committee members representing 4 departments; operations,engineering, finance and procurement.
