The Richmond Metropolitan Transportation Authority (the Authority) wishes to thank all firms who have expressed interest in the above subject solicitation for Toll System and Services (the RFP). The Authority sincerely appreciates the obvious time and effort exhibited by those who submitted proposals and participated in Oral Interviews and Negotiations.

Following the conclusion of negotiations and upon review of all Best and Final Offers, the Authority has ranked Proposers as follows:

1. TransCore, LP
2. Kapsch TrafficCom IVHS Inc.
3. Conduent State and Local Solutions, Inc.

As provided in the RFP, and subject to compliance with RFP and contractual requirements, the Authority will begin the process of contract finalization and award with TransCore, LP, who in the Authority's opinion, has submitted the best proposal and provides the best value to the Authority, which as set forth in the RFP means the overall combination of quality, price, and various elements of required services that are optimal relative to the Authority's needs.
