5. Rented, leased equipment: Prior to Notice of Intent to Award VDOT shall require the bidder to provide a letter from the applicable entity on company letterhead stating the type of equipment with detailed equipment description and availability for the duration of the contract period, for any equipment intended for use to perform services of this IFB. This letter must be provided to the Contract Officer within 2 business days of request, or the bidder will be deemed non-responsive.

Sub-Contracted equipment: Prior to Notice of Intent to Award VDOT shall require the bidder to complete the sub-contracting form identifying the company they intend to use for sub-contracting and listing of the equipment. This form must be provided to the Contract Officer within 2 business days of request or the bidder will be deemed non-responsive.

Future equipment purchase: Prior to Notice of Intent to Award, VDOT shall require the bidder to provide proof of purchase with detailed equipment description and confirmed delivery date for any equipment intended for use to perform services of this IFB. This proof of purchase must be provided to the Contract Officer within 2 business days of request, or the bidder will be deemed non-responsive. All purchased equipment must be available by date of award.

6. Is any of the equipment listed above currently committed on any other contract (RMTA / non RMTA) contracts? YES or NO

If yes, identify which equipment (year, make, model, ID/VIN), where the equipment is committed, contract number(s), name the party to the contract and location.

Solicitation #: REVISED - RMTA Snow & Ice Removal Services 2023

SUBCONTRACTOR APPROVAL REQUEST

No portion of the work (including equipment) shall be subcontracted to another firm or individual <u>without prior</u> <u>written consent</u> of Richmond Metropolitan Transportation Authority (herein referred to as RMTA). In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish RMTA with the names, qualifications, and experience of their proposed subcontractors for agency approval. The primary contractor shall, however, remain fully liable and responsible for the work performed by its subcontractor(s) and shall assure compliance with all requirements of the contract.

List proposed subcontractor(s), including name, address, contact person, and type of work to be performed under this contract below.
